Joan Carr
Principal

To the Class of 1991:

Education occurs in many places. What you have learned on the stage, on the playing fields, or by participating in school and community organizations, along with your classroom experiences, shaped your life at Peabody Veterans Memorial High School.

You have been fortunate to work with many adults who care deeply about who you are now as well as who you will become. I hope that each of you will take with you many memories of teachers who have made a difference in your life.

I have enjoyed watching you grow over the past two years and look forward to hearing from you in the years to come.

Try to maintain the many friendships you have formed during your high school years. Your friends and teachers have played important roles in your life.

I wish you much happiness and success. On behalf of the entire school community, I extend my congratulations to the Class of 1991!

Sincerely,

Joan Carr

SENIORS

To The Class of 1991,

As our memorable high school years come to a final close, the Senior Class Officers would like to take this opportunity to thank the class of 1991 for a great four years at Peabody High School. We hope you had fun at all of the events as much as we loved planning them. When you are looking back at *our* Yearbook, remember the Class of 1991 as a whole. Whether good or bad, our class has gone through a lot of changes which helped us to grow closer together in order to survive as one. Let us reflect on all of our everlasting friendships that were made. When looking back through the years let us hope that we will appreciate our sense of togetherness for we will always have each other to thank for "the good old days at Peabody High." We wish the Class of 1991 the best of luck in the future!

Your Class Officers,

History Of The Class Of 1991

On September 9, 1987 the Class of 1991 entered the fieldhouse. We were the first class to graduate from the "new" Higgins Middle School. Principal McCarthy welcomed us to the high school. We felt pretty confident with ourselves about coming up to the high school, but our minds would soon change. Mr. McCarthy announced the homerooms each of us would be in, then we were quickly escorted away by our teachers. There were a thousand questions running through everyone's mind as we were walking to our rooms. What if I get lost? What color is B-house again? I have to do this every morning at 7:30am? When we arrived at our homerooms we were given our schedules and lockers. Then we were taken on a tour of the school, A-house-blue, B-house-red, and C-house-orange.

After we started to feel secure in homeroom, the bell rang and we went to our first class. Although we got lost the first few tries, we eventually found the way to our first classes. At the end of the day we managed to get on the right bus. We returned the next day to be accompanied by the other members of the high school, the sophomores, juniors, and seniors. We finally realized that we were low life freshmen. We were at the bottom of a long 4 year ladder.

We finally got into the swing of things and elected our class officers. Diane Cooper was President, Carlo Alpuerto was Vice-President, the Secretary was Amy Lamoureux, and the Treasurer was Christine Leventis. With the help of our advisor Mrs. Bornstein we were able to have a successful Bake Sale during Parents' Night.

Well, we did make it through our Freshmen year. We watched the seniors graduate and obtained the new title of SOPHOMORES. Slowly, but surely we were working our way up the ladder.

At last we were Sophomores. We weren't the "New Kids On The Block" any more but, we weren't the elite upperclassmen either. As we got ready to return back to school there was a teachers' strike. We started school a week late. We didn't mind in the beginning until we had to make it up at the end of the year by using all of our snow days. We lost a lot of the clubs due to the lack of advisors because it wasn't paying enough for the teachers. Most of us started driving school at Tanner City. Do you guys remember Charlie, Diane, Gwen, and Don?

Our new class officers were President Mark Meltz, Vice-President Hiren Mankodi, Secretary Jennie Suckney, and Treasurer Greg Beader. Our class didn't have an advisor for a while because of the strike then Mr. Terlizzi decided to be our advisor. On June 3, 1989, we had a Sophomore Car Wash at the Exxon Station in Danvers. We had a great turnout of kids to help us wash the cars. We also had a Magazine Drive where we gave out candy and $100.00 to Stephanie Georgian from a raffle. Another infamous fundraiser was the selling of the Peabody Tanners Pen. Can you believe people actually bought a pen for $1.00? WOW!! As our sophomore year came to a close we were ready to move up the ladder once again.

Our Junior year was a real change. Mr. McCarthy left as our principal. He was replaced by Ms. Carr. So there were some things that changed. We had a problem with playing cards in the cafeteria and the school lunch. However, the Student Council and the Student Advisory Committee tried to resolve the mishaps. Finally, we were known as upperclassmen. Our class officers were President Hiren Mankodi, Vice-President Mark Meltz, Secretary Jennie Suckney, and Treasurer Greg Beader. Our class advisor once again was Mrs. Bornstein. We finally had our first class event. It was our Halloween Party at Augustine's in Saugus. It was from 7-11pm. Everyone had a great time. David Lew was the DJ. Mark Bettencourt and Sharon Raby won first place as the Jolly Green Giant and Little Sprout. Second place went to The Sweat Hogs. They were Keith Pietropaolo, Jim Cronin, Hiren Mankodi, Greg Beader, Steve Murphy, and Jason Bellew. Third place went to Michelle Amato who was dressed as a Christmas Tree. It was also time to order our class rings. There was so many to choose from!

On February 9,1 990 at the Sheraton Tara in Danvers we held our Semi-formal. It was from 6:30pm-12am. Everyone looked great as we danced the night away with Diamond DJ. On May 11, 1990 at the Danversport Yacht Club in Danvers we held our Jr. Prom. It was from 6:30pm-12am. Everyone looked great as we danced the night away with Diamond DJ. Michele Amato took the title of Prom Queen and Carlo Alpuerto stole King. The Class Song was "This is The Time" by Billy Joel. The Prom was a pleasant ending to our Junior Year, and after our Senior friends graduated, we became the new SENIORS!!!!! (Finally!!) Hey, wait! Who could have forgotten Mr. Hardy's Western Day for the Yearbook.

Over the summer we had to take our Senior class pictures at Gainsboro. What should I wear? How much does it cost? Will they come out good? Should I take them over?-those were some of the familiar questions that were asked.

We as the upperclassmen elected Jennie Suckney as President, Suzanne Sexton as Vice-President, Tom Magner as Secretary, and Christine Arsenault as Treasurer, and our new class advisor was Mrs. Irish. (Do you remember the speeches? That was fun! The candidates got into fights!). On September 14, 1990, we kicked off our Senior Year with our Luau at Kowloon's. We danced the night away in our jams and our Hawaiian shirts to the music of Music Mixxers. But this was just the beginning of our long awaited year. We had finally risen up to the top of the 4 year ladder.

College applications were to be completed and SAT's to be taken. Due to the lack of dedicated homeroom reps., the class officers made a Senior Help Committee. Thanks to Domino's Pizza the class was able to raise $150.00 for the class by passing out flyers. We also had our senior pictures to hand out. What an experience we had when the class held its' Senior Halloween Party on October 27, 1990. For the first time, it was held at Smith Barn. We danced away to the sound of Tom West. The class officers, homeroom reps., and students from the Senior Help Committee all made it happen. First place was won by the 3 Musketeers which consisted of Natalie Abreu, Suzanne Sexton, and Christina Prochilo.

On October 28, from 5p.m.- 8p.m. Student Council held its' first Haunted House in the bus ramp at the high school. All the members worked really hard. It was a great success as a lot of little kids got scared. Of course, a good time was had by all.

Don't forget the first annual "Smart Walk". It was held on November 4, 1990 from 12 - 3p.m. The Peabody Education Council raised over $14,000 to help us kids. Everyone had a great time as we walked the 3 mile route to downtown Peabody. This was also the year when Peabody High organized its' first ever PTO. The presidents were Margo Suckney and Andrea LeJeune. We could finally sell candy.

Let's not forget about our girls and boys soccer season. Our girls soccer team were the GBL champions, who along with the boys soccer team, qualified for their respective tournaments.

And, who could forget our football season? Our Tanners were champions of the GBL with a perfect record of 10-0. The Thanksgiving Day game had over 10,000 people and all of a sudden everyone in Eastern Massachusetts was interested in Peabody High. Everyone at the high school benefited from this great achievement. The Boosters made a record of almost $5,000. The senior class sold cups, pins, and onboard signs with Peabody Tanners on them. Also, Student Council held its' annual breakfast which served over 200 people. We also made it to the Division 1 Superbowl in Foxboro's Stadium on Dec. 1 at 1pm. We played against Tewksbury. It is here where it all happened, that the Class of 1991's Peabody Football Tanners were the first football team from Peabody high to ever *WIN* the Superbowl. They did a fine job. The final score was Peabody 20 and Tewskbury 14. Not only were the Tanners ranked number one in the state, but the dedicated team had also maintained a perfect record of 11-0. Do you guys remember how the team got escorted home from the Peabody Police, Peabody firemen, and Mayor Pete Torgian? The whole town went crazy that season. The one word that would describe our last football season together as a class was "PERFECT". Thru this event the whole class had finally come together as one. This totally topped off our Senior year. This moment in time will last a lifetime. This was also the day of the Achievement Tests and SAT's. Such problems we had back then, huh? Our Peabody sports teams all had a great 4 years - Gymnastics with 2 GBL titles reaching for their third, Cross Country with 3 GBL titles, and a 4th great season, Track had 3 GBL titles, another on its way, and girls basketball and boys basketball also had some great years.

It was time to be measured for our caps and gowns on December 7th during our English class. We finally started to realize that graduation day was not too far away. It hit us that our "end" was near.

Our Senior Snowball Semi-Formal was held on January 20, 1991 at the Danversport Yacht Club. Diamond DJ spinned the tunes as the dressed-up seniors danced their last "semi" away.

With second quarter ending our Senior year had started to wind down and the pressure had alleviated a lot. There were so many plans to make for the months ahead. Some questions that we boggled over were, What college should I go to?, What's an FAF form?, Who should I ask to the Prom?, Who's having a party?, and What time is graduation rehearsal?

On May 31, 1991, the Class of 1991 had its' "Last Dance" - the Senior Prom. We broke tradition and held the prom at the new Vista International Hotel in Waltham. It had finally hit us, that our long awaited high school years had come to a final close. As the prom queen will be picked and the last song will be played the members of the class of 1991 will always cherish the memories that were made over the last 4 years forever.

Graduation on June 2, 1991 would be here before we knew it. Our high school years will be just one big memory of growing up in Peabody. We were the class that made a difference in the community by making all of our dreams come true. We have made an everlasting impact at Peabody High School. Our class will always be known for breaking the old tradition and starting a new tradition - the tradition of WINNING! (Not bad for a group of "guinea pigs from the "new" Higgins Middle School"!)

At our twenty-fifth reunion it will seem just like yesterday that we received our yearbooks and parted from close friends to pursue our own individual dreams. But the Class of 1991 will always have something in common - we conquered the 4 year ladder TOGETHER. Now we must start a longer ladder - LIFE.

May YOU, members of the Class of
1991,
have the best of luck always!
I have enjoyed being YOUR Class President,

Jennie M. Suckney

THANKSGIVING GAME

PEABODY DIVISION I 1990 SUPERBOWL CHAMPIONS

The sky was blue, the sun was bright, and a cool wind blew over Foxboro Stadium. This was the setting of one of the biggest games in the history of Peabody High School. This was not the first time a Peabody team visited Foxboro, but it was the very first time Peabody, after an undefeated season, came away as Superbowl Champs.

With the landslide win over Saugus 39 - 8 on Thanksgiving day it was evident that Peabody was a force to reckon with. Saugus was far outclassed by the Peabody Tanners. The Tewksbury Redmen soon felt the Tanner's wrath. They saw that the Tanners were not going to let any team ruin their chance of bringing home to Peabody the Division 1 Championship. This was the title that the 1990 Tanners and the city of Peabody waited so long for, and the title they truly deserved. Good work 1990 Tanners. Your a team that Peabody will never forget.

PETER D. MOONEY
DIRECTOR

To The Class of 1991:

It is with great pleasure that I offer my sincere congratulations and best wishes for a bright and prosperous future to the members of the Class of 1991 at Peabody Veterans Memorial High School and Peabody Vocational High School.

The Fall of 1987 seems like yesterday when I look over the names of the graduates and remember those bright faces coming in the door that September. During your four years you have worked hard and acquired a firm foundation that will stand you in good stead as you undertake the challenges that lie ahead. Those of you who have chosen vocational education have demonstrated a maturity and pragmatic sense of responsibility beyond your years. You are uniquely prepared to meet the challenges of a changing technical society and we hope you will continue to acquire additional training at the post secondary level to remain abreast of future developments.

Your instructors at the Vocational school join me in looking ahead with eager anticipation to learn of your successes with every confidence in your ability to achieve. The time has come to utilize the skills you have developed. Good Luck!

Sincerely,

History Of The Class Of '91.

We came to tbe Peabody Vocational High School with no great fears or worries. Each of us felt that he could take care of himself. Jason Cobble and Scott Warren went on immediately for several rounds because of some old grease on a new Voke jacket. Philip David got multiple head bumps in Hockey with the help of Frank Anastos. Fearless Mike Carvalho spent great periods of time with Michael Whitehead in the main office. We started freshman year with four girls. Now we only have one brave girl- Corrinne Moynihan. Tim Harris was hit on the head witb a drive shaft and he hasn't been the same since. Mario Rosa, do you remember your first cigarette that turned you green? Ron Wachlin had the nastiest experience of all happen to him when the carpentry shop went out to the house project. Ron lived through this hair-raising experience to become bigger and better. Jose Monteiro got his nickname "Lips" because be put them everywhere. Micbael Gerrish got thin and stayed thin throughout his four years at the voke. Another tussle occured during freshman year between those two electrical giants, Tim Byrnes and Lenny Levesque. Do you guys remember seeing stars for awhile? Clifford Lathrop started lifting weights at this time. Frank Anastos got hit by a car and lived to talk about it with only a broken arm. Dennis Kolodziej found tbe Mountain Dew experience and hasn't let a day go by without one. Remember the guys in the machine shop, John Norfolk and Jason Anderson, when Willie got taped to his chair? At that time Mr. Decowski was our shop teacher. That same year Paul Rocco found himself tied to a barrel. Maybe that experience was what made Norton Hazel's hair to stand up.

Sophomore year was tbe year Matthew Cummings arrived at the school. Most of us got our licenses during this year except Tim Harris, Mike Gerrish, Jason Cobble, Phil David, and Matt Cummings (Some of tbese guys still don't have a license!) During Sophomore year we said goodbye to Mrs. Crocker. We were just too much for ber. Big John Cunba got his nickname "Tuna" because he's so round and wholesome. Jose Monteiro had terrible reactions to tonic. Dana Turgeon got us trapped in a snow bank. Phil David, Jose Cunhs, Mike Carvalho and Mike Gerrish tbought they would never move on to junior year. Rich McLernon backed the carpentry bus into the dumpster by accident. He's not a good driver. Scott Warren and Jobn Cunha will never forget the hair raising test drive in Gizmunt's car. They nearly landed in a ditch. That same year Scott also tried to get an engine into his car after pushing it from West Peabody. It didn't quite work out. Mr. Torosian got stuck in the vent of the machine shop batbroom and we bad to pull him out. Remember when tbe electrical shop took those weaving rides with Mr. Lembidakis to McDonald's? Those were the fun times for all. Norton Hazel broke his hand on Jimmy Houde's head. Frank and Joey Delesky pinned Randy Mello's Saab against the wall. Kurt Kaden & Cliff Latbrop had some dispute over milk or jello.

Junior year was our ring year. We all looked forward to getting rings at that time. Carlos Pereria came to the school witb his spiked "do" and his GTA. Mario Rosa brought his car into the shop and it ended up looking like "Mario's technicolor dream car." Before it was finished. Jose Cunha's car got borrowed for tbe weekend, but it came bome- finally. Bruce Ceccarossi was trying to be cool but showed an awesome display of stupidity by spinning out into Scott Warren's car. The year continued when Dana Turgeon's guest "four wheeled" around the parking lot to everyone's surprise. At the same time Jesse Hogan sat on the steps of the shop resting and resting and resting. Mario Rosa, Phil David, Rob Marcband and Scott Warren were elected as class officers for the senior year. Hopefully, everyone felt they would do a great job. Timothy Harris was on the Terminators floor hockey team and they were the champs in 1989-90. He didn't score, but he was always there close by on the bench. During our junior year we reached a record for car trade-ins. We went through about thirty different cars. We did our best to help the economy not to mention the junk yards were really happy with our cast-offs.

Mrs. Merrill came to replace Mrs. Crocker and she left that same year. Maybe it was too much stress caused by our bebavior-maybe not. Frank Anastos played Tarzan on a 220 volt power cord hanging from the ceiling. It was a very short ride. Bruce Ceccarossi laid more rubber near a parking lot with the help of Rick McLernon and Jason Anderson Charles Capponi came to the Voke during this year. The electrical was certainly blessed by this arrival although we don't think Mr. Smyrnios feels that way. He went to the high scbool the very next year. Remember the third prize evening art project made by Clifford, Rob, Jason, Dennis, Jay, and Frank? It was a huge air balloon in cardboard. Mr. Decowski actually thought it would fly because it looked so real.

Our final year of high school has finally arrived and we are all ready for it. Presently, we bave had a fairly restful several weeks and we are all looking forward to a great year. Maybe this will be the year that Mike Carvalho will grow up and not just grow old. Maybe this will be the year we thrash the Peabody Devils in floor bockey. We are looking forward to our senior project adventure at Brooksby Farm. Mr. Whitehead has not quite accepted the new time schedule yet so we see him rather late each day. Several of the seniors have good full time jobs during work weels including Fingers Rosa. Congratulations guys!! Carlos Pereira is still complaining. Ron Wachlin has finally learned to leave the saws in the shop - alone. Corinne Moynihan is ready to leave in her truck. Rick McLernon still doesn't have a car. Tim Harris still doesn't have his license. Jose Monteiro is just thinking about what he'll do after graduation. It will be great to see graduation day arrive. We should remember at this time those students who started with us but won't be leaving witb us. We all wish they would have hung in there. It was worth it. We had some good times along the way. Some things never change. Clifford Lathrop is still listing weigbts and Kolodziej is still drinking Mountain Dew. Charlie Cappnoe is still known as the elephant man. The machine shop is still shadowed in mystery. We cannot say anymore because everything is pending and we must continue the adventure of life.

OUR FRESHMAN YEAR

It was '87,
And we thought we reached heaven,
It was the beginning of our freshmen year,
But we were awaken with a big scare,
It was cake day one,
When it came day two we didn't know what to do,
The buses we found,
Now we're summer bound,
Waiting in the gym,
Our thoughts were slim,
We met our teachers,
Meanwhile we were waiting for those high school ex-features,
And English with Shakespeare,
Class do we really give a care,
Math, the best,
It really puts you through the test,
And don't forget those labs,
With the test tubes,
And you found out you don't know what to do,
Friends come and go,
But they just help you keep up with the flow,
Nice lockers with the combos,
Opening them was almost like the mombo,
Gym twice a week,
And exciting new sports,
Really kept us on our feet,
Midterms we thought we had studied,
When we got them back we all took a nutty,
We just got programmed,
But who really gives a damn,
Summer is on it's way,
But you know it' won't stay,
We think the Seniors have it made,
But soon they will just fade,
Most of us can't wait for the day,
When we think we have it made,
But let's get ready for our sophomore year,
It makes our prom one step beyond,
Right now we're under great demand,
From our so called "upperhands",
Finals are coming soon,
Then we will get out at noon,
School is getting out late,
We can hardly wait,
Summer school is for most,
Hey, it's nothing to boast,
We all start to look for a job,
So we don't sit home like a blob,
Money which we will get,
So we don't go into debt,
We start to think of a car,
For we know we will go far,
And there's drivers ed,
So we don't wind up dead,
These are now our thoughts,
But there's a lot more knotts,
For now we will be at ease,
For we still have 3 more years,
In which we can please,
For we have our dreams now,
But watch out world,
Here comes the class of '91,
And we're in the mood for some real fun,
So think about what I said,
The next time you go to bed,
For I've said a lot,
This covers only one tiny spot,
We won't meet again,
Untill I pick up a pen,
So have a good next two years,
Then I'll write about our Sophomore cheers!!

OUR SOPHOMORE YEAR

Ah, the sophomore year,
The time to be Juniors near,
Not the lowest anymore,
Waiting to be the highest through the door,
Getting your driving permit,
Never sitting home on Friday night to be a hermit,
JV is where you are,
Taking tests is never to far,
College looking will be fun,
We're just waiting for school to be done,
Saying "Hi" to everyone in the hall,
Trying not to fall,
Glad we're not last,
Next year we'll have a blast,
Still go to study,
But always trying to find the right buddy,
Taking the bus everyday,
Wishing you could always stay,
New things to try,
In school, your grades are just getting by,
Next year, our third year,
Hoping to get the well deserved Junior flare!

OUR JUNIOR YEAR

A third year in high school,
By now, we all should know what to do,
A new fast car,
And those colleges now not so far,
Getting a good grade,
And watching the last two years fade,
Taking PSATs,
And saving for the college application fees,
Going to the Semi and the Prom,
You know something will go wrong,
You'll never go another date,
What to do on a Friday night,
Trying hard with all your might,
Varsity here I come,
No more looking like a bum,
Working all day,
You hope they give you good pay,
Heading into our Senior Year,
This will be "our" biggest DARE!

OUR SENIOR YEAR

In '91,
Our time has finally come,
Upperclassmen that's who we are,
Now our dreams not that far,
What college will accept me,
The class of 1991 is finally free,
No more skipping and fire drills,
We're going for the big thrills,
Graduations not so far,
Let's thank our lucky star,
All the great friends we made,
Hopefully, they will never fade,
Attending the Prom and Semi-Formal,
Hoping everyone thinks your normal,
Rooting for our favorite team,
Wishing for the impossible dream,
So what if you did bad on your S.A.T.'s,
As long as you don't get all D's,
Meeting that special friend,
Hoping the relationship never ends,
Can you believe 4 years gone,
Getting up early at the break of dawn,
Remember riding in the cheese box,
That was cool,
Trying to make some extra bucks playing pool,
Pep Rallies will never be the same,
Isn't that such a shame,
Givng school your best,
Let's hope you pass tomorrow's test,
Being at all the Senior events,
Did your car get a lot of dents,
One last time to say goodbye,
Please don't cry,
The memories will last forever,
School . . . NEVER,
At one last request,
The Class of 1991,
We are the Best,
Our time is finally done,
Peabody High,
Never fear,
For the Class of 1991,
Will always be here!!!

THE MAKING OF THE META 1991

When making the META yearbook, students don't realize how much time and effort is involved by the yearbook staff. The Yearbook staff would like to share its experiences with the members of the Senior Class.

Most of the typing was done by Sharon Rivitz, Mike Harrison, Jill Wojick, Lori-An Pearlman, Colleen Doherty, Michelle Amato, and Lisa Archung. The majority of the candid pictures were taken by Julie Mastorelli, Christine Felch, Paula Vences, Kelly Shaw and Jennifer Whalen. When the organizing had to be done in school there was Stephanie Georgian, Yvonne Huesser, and Lori-An Pearlman to get the job completed on time. The sorting of the sport and club pictures were done by Lea Pavlo, Tina Hernandez, Elise Mangino, and Stacey Amolsky. When the making of the Scoreboard, and the writing of the Class and Yearbook History's had to be done then Jennie Suckney was sent out to get the job done. The gophers like Michelle Falkoff, Michelle Tabroff, Melanie Speicher, Melissa LeJuene, Russell DeRosa, Jill Hutchinson, and Denise Lucier were sent off to do Mr. Hardy's "errands".

Lastly, the yearbook staff would like to thank Mr. Hardy for everything he has done. For without him, the Class of 1991 wouldn't have a yearbook. Although he did have his moments with "us", F/X is the best advisor any class could possibly have. Thanks Mr. Hardy for showing us the "right" way! The META staff will never forget you!

IN MEMORIUM

Kristen N. Petrone

The class of 1991 would like to acknowledge the loss of a dear friend, Kristen N. Petrone. She will always be remembered by the class of 1991 as a caring and kind person.

Whenever I thought of Kristen
A smile would come to my face
She was so beautiful a person
Too kind for this cruel place.

So young and so beautiful
Both inside and out
I can't help but wonder
What life is all about.

Never a cruel act
Did she ever take part
She had not the slightest trace
Of evil in her heart.

As I write this poem
Tears fill in each eye
My one last regret is
That I couldn't say goodbye.

The world lost a great person
So sweet and sincere
So willing to take time
To listen and care.

I feel a void in my life
I felt only once before
My heart is stricken
I wonder how much more.

But as I think
Of the beauty of her face
I realize she is in
a much more joyous place.

In heaven with God
She has passed her test
he is entering the Kingdom
As we lay her to rest.

Although we'll all miss her
as her memories come to mind
I pray that we'll all
Be reunited in heaven sometime.

Our Teacher
Our Friend
You taught us about
many things,
Woodworking, Friendships
and Life.
You brought us to work
on your big yellow bus.
You were a special part
of our family.
We will miss you.

YOU WILL ALWAYS **RIDE** ON IN OUR HEARTS.

IN MEMORY OF JAY

March 2, 1991 marks the last day in the short life of our friend. It was the day we all learned that JAY ANDERSON'S life had tragically come to an end.

In life he made us laugh, his death will make us cry and all of us who called you "friend" would like to say goodbye.

You were the cutest little guy with an adorable charming smile. You were one of a kind, an original, with your own unique style.

You had a twinkle in your eye, a song in your heart, and a bouncy spring in your step. We can't believe you're gone JAY, we just weren't ready to part with you yet.

We picture your face as clear as day and remember the things you used to say.

He liked to laugh, he liked to joke and liked to go to parties, but first and foremost in his life came his love for Harley's.

He always wanted one of his own to ride wild, open and free. That was a lifelong dream of his and I'm glad he shared it with me.

He used to take me on motorcycle rides and day long trips in the sun. We'd laugh, talk, share our thoughts and together we'd always have fun.

So when the wind blows it's JAY saying "Hi!" and we'll always think of him when a Harley roars by.

I hope his friends have learned a lesson and will remember to always think twice, cause now JAY is gone and won't be around to give them any life saving advice.

The friends you left behind won't let your memory fade away, we'll put smiles on our faces and think about you every day.

Now you're in a better place where hopes and dreams come true, but all your friends would like to say - JASON,

WE LOVE YOU

Crossing the Bar
Alfred, Lord Tennyson

Sunset and evening star.
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Of all the people, no one thought it would be you
Someone so nice, the right person to talk to.

You had everything right in the palm of your hand
Grasping life like water running over sand.

An athlete you were bound to be
Off and running everyone could see.

We started our senior year only last September
Now you're gone, leaving us only to remember.

All the good times we've had day after day
Don't you think we're gonna forget you come May.

When we as the Class of 1991 graduate
You Jim Cronin will be there on that date.

And when we move on, you'll still be there
To everyone everywhere, we are one big
Family who really does care.

ALWAYS

We'll try not to cry,
Or say goodbye.
We'll be separated for awhile,
Until then we'll wear a smile.
You were a friend to everyone,
When we were with you we had so much fun.
Although tennis lost a great,
Sometimes we stay up late.
Thinking of you,
We sometimes don't know what to do.
Jim, you will ALWAYS be "the best all around",
I'm glad we have found a place in "our" heart,
For we will never be apart.
A scholar, an athlete, and a gentleman too,
Jim, what didn't you do?
Even after the year is through,
The Class of 1991 will ALWAYS love you!

Jennie Suckney, Senior Class President
